This area of the site is where they will access a direct link to our reading scheme Bug Club. The class teacher is able to access your child's reading records using the web links

also. There are other sites that the children will find helpful as they extend the range of their study skills.

We are aware that not all families have access to a computer at home. Please let us know in confidence if your child is currently unable to access a computer. We will ensure

that your child can have additional access to computers during or after the school day.
